

Cailleton Rouge 2021

AOC Graves

Grape varieties :

- 100% Merlot

Alcohol content :

- 12,5 %

Soil and Climate :

- Loamy-sandy soil with an oceanic climate

Tasting notes :

- Bright purple color.
Nose of small red fruits (strawberry, redcurrant) with spicy and vanilla notes.
Taut and lively palate, focused on fresh fruit with well-integrated tannins.

Winemaking and aging :

- Aged for 9 months in stainless steel tanks with an infusion of new French oak staves. This technique highlights the character of the single grape variety, adding more pronounced oak notes and a structured profile.

The aging process extends the length on the palate and enhances the aroma intensity, while preserving the purity of the fruit.

Food pairing :

- Enjoy with friends alongside tapas, young Comté cheese, or a roast pork with prunes.

Aging potential :

- 5 years and beyond
