

# Cailleton Rosé 2023

## Vin de France

### Grape varieties :

- 100% Merlot

### Alcohol content :

- 13 %

### Soil and Climate :

- Lemony-sandy with an oceanic climate.

### Tasting notes :

- Lovely "rose petal" color.  
Nose of red berries (redcurrant, strawberry) and English candy. Fruity and tangy palate, sweet and candy-like, with a beautiful fruity finish.

### Winemaking and aging :

- Aged for 4 months in stainless steel tanks.

### Food pairing :

- Perfect to enjoy as an aperitif with friends, with tapas, or alongside Asian dishes.

### Aging potential :

- 1 year and over.  
Rosé is a "seasonal" wine.

### Residual sugar :

- 14,1 g/L

### Total SO<sub>2</sub> :

- 0,15 g/L
